Coming Events

A meeting of the U.F.A. will be held on Saturday, April 12th. The sure to attend as this may be the last for some time.

STUBBLE BURNER TO BE DEMONSTRATED

On Saturday, April 12, a demonstration of a machine which it is claimed will destroy weeds and weed seeds in stubble, and burn the stubble at the same time will be given at the farm of Mr. E. F. Wheeler, N.E. quarter, 23-23-24, about four miles northeast of Namaka. The manufacturer of the machine are the Canadian Farm Implement Co., of Medicine Hat. The demonstration will occupy all day, and those interested in the problem of weed destruction would be well advised to attend.

OH, WHAT A THRILL, BEBE CATCHES FISH

But Pair Co-Star In "The Exciters" Throwing It Back Again

While in Florida (filming scenes for "The Exciters," a Paramount picture, in which she is co-starred with Antonio Moreno and which comes to the Memorial Hall Strathmore next Saturday, Bebe Daniels experienced her most thrilling moment in life. She was induced to do some fishing from the hotel pier in West Palm Beach one foggy morning, and no sooner had she thrown her hook into the water than there was a violent tug at the line. Bebe was all excited at the sudden catch. She called for help and with the aid of bystanders pulled in a large tarpon. She didn't know whether to laugh or cry for she had fully expected to fish without catching anything. At any rate she insisted that the tarpon be thrown back into the water, explaining that it was too small to kill for food, but positively insisted to take life for pleasure.

Miss Daniels has the role of a speed girl in "The Exciters." The story line of unusual interest and appeal, and there are many dramatic moments in the action. The sensational scene is one of extreme action, which is bound to provoke comment. The supporting players include Burr Melton, Diana Allen, Cyril Ring, Bessie Cooper, Ida Darling, George Backus and others.

MORE SETTLERS FOR IRRIGATED LANDS

Another party of settlers from Iowa had have sailed from the old land and will locate on farms in the Lettbridge Northern Irrigation District.

FIRST ANNUAL CORN SHOW

The first annual corn show in the province will be held in the city of Medicine Hat in November next, a special grant having been made by the legislature for that purpose. This will be exclusively for exhibits of corn. The city of Lettbridge has already established a corn show in connection with its annual seed and potato show.

M. D. Keoma Council Meeting

In regular session on March 21st, at the Council office, the following members being present: Reeve Scratch and Councilors Means McLean, Donkin, Russell and Hare.

The minutes of the previous meeting were read and adopted.

The matter of the road diversion in section 21-25-24 was discussed and motion made to rescind the previous motion made on March 6th, and the secretary was instructed to write the Director of Survey to this effect, and it was agreed to hold the matter in hand for some time.

On motion the payment for cattle pass and fencing in the matter of survey N.E. 25-26-24 was left for future settlement.

Correspondence was read in connection with the matter of the claim, and it was agreed to advance him \$25 in final settlement.

Correspondence was read from the bank's solicitors to the effect that it would be necessary to make separate loans for each school district particularly, and make separate notes in connection with each school for the amount so required. A resolution was passed empowering the Reeve and Secretary to arrange to borrow \$10,000 for school purposes.

The contract was signed with John Mackenzie for the arrangement with the Strathmore Standard for 1924. Personal appeal was made by the C.N.R. on their lots in the matter of their assessment. On motion the secretary was instructed to advise them that the appeals would not be heard until 1925.

Mr. J. R. Dixon was present in regard to his claim for injuries under the Workmen's Compensation Act. The secretary presented correspondence between himself and the Board, which had been undertaken on Mr. Dixon's behalf. Mr. Dixon will receive \$123.80 as result of a broken arm while working on the road.

A petition was presented to the Council regarding the road leading into Irricana from the road through the village of Beddington and the Village of Irricana, requesting that the Municipality construct this road. On motion the secretary was instructed to return the petition and advise that this road is a Provincial Highway and that the Municipality has nothing to do with construction on this road. It is understood, however, that the government is going to grade this road this summer. The Keoma council have for several years petitioned the government to do this work, which was badly needed.

Report of Delegates to Hall Convention. Mr. McLean reported that unfortunately owing to a week on the C.N.R. he was unable to attend. Mr. Scratch gave a comprehensive summary of the convention, which was accepted.

The bridge between sections 11 and 23-25-24, at Ardenode, was discussed and the secretary instructed to write the B and B and the C.N.R. and also the Dept. of Public Works, with a view to having same replanked. Mr. J. R. Dixon was present (representative of the grader company) and arranged for demonstration of the new grader, which will be as soon as the weather permits, before the whole council and representatives in general.

Correspondence was read from solicitors in connection with the Strathmore hospital, on motion no accounts were approved in this connection.

On motion the Public Works supervisor for 1924 was fixed at \$1200, unless by special vote of the council in very urgent cases.

The day labour rates were fixed as: Single hand, 30 cents per hour; Man and 3 horses, 50 cents per hour; Man and 4 horses, 70 cents per hour.

The council passed a resolution and instructed the secretary to reduce the assessment approximately 10%.

(Continued on another page)

Carseland Notes

T. H. Krueger spent part of last week in Calgary.

The entertainment of the C.G.I.T. girls last Tuesday evening was a great success. The church was filled to the door. The entertainment was unique in many respects. The presentation of the C.G.I.T. banner for Alberta was made by Mr. Lonsdale. Miss Doris Field, president, replied in behalf of the local group, and presented the banner to the church for safe keeping.

The high school baseball team are away to a good start in collecting money. We are glad to see them get started early, and wish them every success in their season's play.

The school board is calling a ratepayers' meeting next Saturday; the notices for which are posted, for the purpose of discussing the disposal of the old school buildings, having in view the use of them as a community hall. The use of the new building for a hall is a very poor makeshift at the best as the damage to school property will amount to a considerable sum in a few years. The ratepayers will do well to attend this meeting.

Many from Carseland attended the play at Dalemead last Friday night.

There were quite a number from here into Calgary last week.

The P. B. Club held their annual meeting in the church last Wednesday afternoon, and elected the following officers: Mrs. J. Allen, president; Mrs. T. H. Krueger, vice-president; Mrs. H. Dickson, secretary; and Mrs. E. Nelson, treasurer. Mrs. G. Gibson and the Misses Dick served an excellent dinner.

The Ladies Aid will give a bean supper next Friday evening after which "Jean Val Jean" will be rendered by Mr. Knight of Calgary. Come and see a good square meal once, and enjoy a good entertainment afterwards.

Organization of Wheat Pool Elected

At a well-attended meeting held in the Memorial Hall on Saturday afternoon, organization of a Wheat Pool local for farmers shipping to Strathmore was effected. Officers elected were as follows: President—J. A. Cammatt; Vice-President—H. W. Watlen; Secretary—Leslie West; Directors—T. O. Wilkinson, W. G. Knyvett, E. V. Todd.

The matter of co-operative shipping was discussed, and the consensus of opinion was that more information should be received from the Wheat Pool head office, with the object of organizing co-operative shipments at Strathmore, also of installing grain elevators in connection with the elevators.

Eighteen of those present paid the initial dues, and a number have joined up since. Those who have matters to bring up regarding wheat shipments should get into touch with the officers of the Pool local.

SUCCESSFUL BULL SALES

The annual bull sale held at Calgary during last week, was very successful, some good prices being realized. A total of 151 showings changed hands, as well as 44 Angus and 119 Herefords. The total amount involved in the sales was about \$42,450.

OIL ACTIVITIES

Preparations are being made for further extensive development work in the petroleum fields of central and southern Alberta during the coming summer, and the indications are that a large number of new drill rigs will be at work, chiefly in the field east of Edmonton.

Changing Drivers

Strathmore Town Council Meet

The regular meeting of Strathmore Town Council was held on April 1st, those present being Mayor Bell, Councilors Keeling, Tompkins, Taylor, Hyde, and Wright.

Permission was given to Wm. Tien to move his building on to another adjacent lot. The lots on which the building is at present situated were sold by the town to Councilor Taylor who also purchased a building offered at the tax sale.

It was decided to have an electric light installed on the silent policeman. The grant to the King Edward Hotel of \$25 per month for lavatory accommodation to the public was ordered discontinued as from the end of the present month.

Work is to be started shortly on the fixing of the new nuisance ground and the cleaning up of the old one. Tenders will be called for this, and also for the putting into effect of a garbage collection scheme.

The matter of the Stampede grounds was taken up, but left over for further information.

The school estimate of \$9600 for this year was accepted.

ODDFELLOWS' SOCIAL

A very enjoyable social was held on Friday last under the auspices of Strathmore Oddfellows; there being quite a large number present.

The evening was spent in whist and dancing. A very nice supper was served.

The prize winners in whist were: Ladies 1st, Mrs. Stewart; ladies 2nd, Mrs. Jack Thompson; Gents 1st, Mr. Oliver West; gent's 2nd, Mr. J. A. Swanson.

The social was held in honour of Bro. Ben Davis, and Mrs. Davis, who are leaving the district.

M.D. Bow Valley Meet

A meeting of the Municipal Council of Bow Valley was held in the Municipal office on Saturday. Reeve Chamberlain presided, and Councilors present were: Messrs Wheeler, Baker, Lauson, Wray, and H. H. Bisholmer.

The Council had a proposition before them to purchase a weed and stubble burner, but decided not to make purchase this year.

It was decided to purchase a Sawyer-Massey road maintainers, provided the prices and terms were satisfactory.

The secretary reported that he had not yet received an answer from Mr. Buckley, M.L.A., to a communication sent shortly after last meeting, regarding the disparity in road rates paid the various municipalities.

Councillor Baker presented a report of his attendance as delegate to the Hall Board Convention. He expressed himself as not being altogether satisfied with the way in which the Board was being conducted. He thought it was drifting. He and Mr. Wray were, however, satisfied with the work of the secretary.

An appropriation of \$1000 for each division for roadwork during the current year was made.

Henry Wray reported that there was gravel on his place about two miles south of Strathmore, and he was asked to make a few test holes to determine the quality and extent of the deposit.

A number of other matters were given consideration.

Dalemead News

The Carseland Dramatic Society gave their play "Desert Dubs," at Dalemead, Friday the 4th, to a large audience. The play was enjoyed by all. Mrs. and Mrs. Goulson and family returned from their visit in Saskatchewan.

Mr. and Mrs. Thomas, from Gleichen, were visitors at the N. Anderson home.

Mr. H. Shack, from Missouri, is visiting at the home of his brother, Mr. Noel Shack.

Rev. Atwood, from Calgary, will have services at the hall the 6th.

Mrs. Wm. Paulson returned from the Holy Cross hospital, where she has been staying for two weeks taking treatment for rheumatism.

The veterinary had a busy day on Tuesday giving the T. B. test to cattle in the vicinity.

Mr. and Mrs. C. Colwell were visitors at the McKinnon home at Calgary Friday.

Cheadle Notes

Mrs. W. Cluff, of Cheadle, is visiting at Grant Craig's for a few days.

Mrs. Stone spent the week-end in Calgary. She expects to move to the city this month.

Hans Nicholson and party of young folks were attending the dance at Cheadle on the 4th, from Kailhorn.

There was a big crowd at the dance given by the young folks on the 4th. This was about the largest crowd to attend this winter.

The Cheadle U.F.A. held a good meeting to reorganize, on the 1st of April, and started off with fifteen new members and past members. All farmers in the district should give their union to promote the social and community spirit which is sadly lacking in most districts.

R. Kays was home for a few hours Sunday, but returned to Calgary on the evening train. He is still taking treatment for his eye.

John McLean left for the east on Tuesday with a car of horses.

Mr. and Mrs. W. Rye are back on the farm after spending the winter in Calgary.

Rockyford Locals

Don't forget that the Income tax papers are available at the Post Office.

The Baseball Executive met on Monday night, and a general meeting of the club was held last night.

The pantry and pancake sale given in the Masonic Hall by the Ladies Club, was a great success. The boys all came back for a second helping. The special brand of flour used in these pancakes may be procured at Ryan and Eiland's store.

On Friday evening, April 11th, at 8:30 p.m. in the Union Church there will be a most interesting programme given by Mrs. Margaret Potts, of Calgary. Her topic will be "The Power of Thought," also a discourse on "Child Psychology." Mrs. M. Potts will be assisted by two of her pupils in elocution, with piano accompaniment.

Mr. and Mrs. Geo. McCrea entertained a number of the town folks Sunday evening. The Rockyford ministers were there.

A son was born on Saturday, April 5, 1924, to Mr. and Mrs. Wm. Joel.

Ice-cream season is here. Get your cooling cones at the Drug Store.

The Council of M. J. D. Grasswood met at Rockyford on Saturday, April 5th. Quite a lot of business was transacted. Details will be published later.

The general meeting of the Baseball Club was held in the pool room Tuesday evening in organizing for the coming season. The following officers were elected: President, Mr. T. Birt; Vice-President, W. Carpenter; Secretary, G. Fullerton; Treasurer, E. W. Post; Manager, W. H. Curran; Field Captain, to be elected by the team.

A Wheat Pool was formed at Rockyford, April 5th, 1924. H. Dunsmore, president, and J. A. Weyers, secretary. A proposed drive will be held in the near future for more members.

Baintree Sidelights

The report of Rev. John Garden's resignation was received in our community with deep regret. Because of his cheerfulness and unwavering devotion to duty, Mr. Garden has commanded the respect and admiration of everyone. We, who live in Baintree, will remember that even in the most severe weather he was always on hand to administer comfort and knowledge to those who had need of the truth. Mr. Garden has always been a firm friend of the boys and girls, and because young people are untalented judges of human worth they returned his feelings with all the love in their young hearts. We regret his decision more than words can tell, but because of his outstanding abilities his legion of friends will look forward with confidence to his continued success in the noble work that he is engaged in.

Miss Mae Longbottom spent last weekend with Miss Nellie Goss, at Rosebud.

One of our friends asked us the other day why we didn't tell a story about the Americans instead of the Scotch. Hence the mixture of both: An American incident. In the city of Glasgow was travelling on the street car, and immediately got out of an argument with an old Scot, who was sitting beside him. He had a new acquaintance that the Scotch were good for anything except running stationaries, bankers and whisky to the rest of the world. He knocked the Glasgow street car system and wound up by glorifying all things American. Uncle Sam told Sandy about New York and Boston. He lectured the wonderful history of the good old U.S.A. and had just finished the fable of George Washington and the cherry tree when his eyes met an unusual sight. Coming down the street were a number of powerful tractors pulling an enormous steel mast, for a super-headlight that was being built on the Clyde. Being of a curious nature he ventured to inquire what the strange thing was. The Scot, without batting an eye, informed him that the uniquely object was the poker for a new steam engine just completed for the Duke of Argyll. When he recovered consciousness he wrote home and told his people that

Do You Know That—

the Ford crankshaft is machined accurately to one thousandth part of an inch—

The Ford front axle is made to withstand shocks and strains ten times greater than are ever met in ordinary usage—

the Ford car is composed of four complete units: Power Plant—Front Running Gear—Rear Running Gear—Frame—

only five movements of hand and feet are required to accomplish the shift from neutral to high on a Ford car as against 15

on a selective gear shift car—there is no possibility of failure to accomplish gear shift in the Ford car. There is no chance of clashing gears in the Ford transmission—

15,000 operations are performed in the building of each Ford chassis—

the entire building of a Ford closed body requires 38 hours and 15 minutes during which time the body passes through the hands of 249 skilled body builders, trimmers and finishers.

Give this little fellow a job! If you want to buy or sell Seed Grain, Livestock, etc., let him sell them for you. He'll do it. If you want to find a buyer for your automobile, let him find one for you. If it's hired help you need, or a room, or a home, use his services in filling your needs.

And he's useful in many other ways. Who is he? He's the Result Getting WANT AD. PAGE of the

Strathmore & Bow Valley Standard

he was under the care of a great student in the very best hospital he has ever been in.

Heading of the old scandal reminded us of the old saying about every man having his price. To speak frankly, we don't believe it, and what is more, we don't want it. The world is full of men and women who wouldn't be tempted by all the diamonds in the De Beers mine. These people run straight just because it goes against their grain to do anything base or crooked. Here is the situation as we have sized it up. Ten per cent. of the people in the world will co-operate with you to help a fellow without thought of reward. Eighty-nine per cent. are willing to be everything that is decent, but are just a little slow in starting off. The other one per cent. are so utterly bad in all things that they are contaminated the good name of the rest. It's up to you to be anything you like.

Mrs. F. E. Wymen, mother to Irvin, came on March 29th, where she was

one of the principal speakers at a joint meeting of the C.F.A. and C.F.W.A.

Mrs. J. W. Rennie, of Tudor, and Mrs. H. G. Trott, of Baintree, presidents of their respective localities, accompanied her, and were introduced to the large gathering.

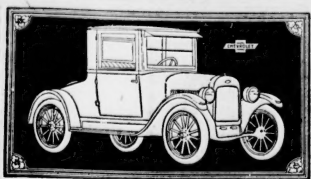

The tenderness of a faithful woman is a refuge. It is the port after a storm; the rainbow after a tempest. Was it the unfortunate Josephine or the Austrian princess who inspired the poet of Marquise and Shusterville to write this beautiful tribute? We do not know, but it shows the world that the little corporal thought of other things besides the art of war. The seeking for one thing will find another—Irish Proverb.

Mr. and Mrs. Wm. Bullis entertained Mr. Bullis' parents for a few days in the early part of last week.

For Sale or Trade—A real live goat, guaranteed to be sound in limbs and horns. Broken to her knees where she wants to go. Good chance for building newspaper scribbles. Will sell for Ger-

man marks, or swap for well developed beer route, or deeded land in Indiana. Authorization contracts "Beware of the Dog."

This kind friends, are our last farewell, and unless someone will volunteer to hold up the lamp in the wilderness, Baintree will revert to Paganism. It's just like this fellow: Spring is here once more, and we got to get out and make sure of next winter, coal and spuds. We could, of course, apply to the sunshine fund, but, being Scotch, we have always found it best to get and fetch them ourselves. Before we start out with the old team, let us give you a little advice, which we know you won't take anyway. Don't sow any wild oats at all this spring. If you do they will give you lots of trouble later, and, as a rule, they begin to ripen when you haven't got time to take care of them. Gladly up Baintree. Walter, old boss, tightens up those tags, or we'll use another name on you. Bye-bye, fellows.

Roads?

Driving over the Calgary-Medicine Hat main highway for some miles west of Strathmore gives one all the sensations of being aboard a ship at sea in a heavy storm. The unfortunate driver wobbles in and out of ruts over a foot deep, and sometimes has to leave the road altogether and follow the fence line.

The motto of the provincial road construction department seems to be "Roads yesterday; roads tomorrow; but never roads today." The stretch of road referred to was in bad shape all last summer. Our provincial member, Mr. Buckley, had it brought to his notice when he addressed a meeting at Strathmore some months ago. He stated at that time that if the matter had been brought to his notice he would have had the road fixed. Now that it has been brought to his notice we expect to see action, if our member is to justify his existence.

We trust that his time is not too much taken up when, where, and why we shall have leucors of varying alcoholic content, which in rights and wrongs of the chiropractors are still engrossing his attention. He need not worry over the chiropractors. His constituents get their spine adjustments free of charge when driving over the roads in the constituency.

When we are on the subject of roads, we might mention the road about which Mr. Bert Hoffman has made numerous complaints to the Municipal Council for this division. Hoffman and the other taxpayers who use this well-travelled highway have good reason for complaint, and the Municipal Council for this division should include an appropriation for this road in his schedule for 1924.

The road problem is a difficult one. The roads into Strathmore will all require attention this year. Last fall the Strathmore Board of Trade spent some money fixing the roads to facilitate hauling of grain, but the Municipal Council refused to reimburse them for this. The amount lost by farmers in getting in and out of town is a loss much greater than the saving effected in taxes by not doing the work.

We are pleased to see that the Council is buying a number of road maintainers, and hope that they will soon to road use throughout the year.

The Town Newspaper

There is, "not all, to be happy in the world that needs so much to be as his own town paper. The daily with its flaring headlines and its sensational news, coming within 1/2 mile, that tells us what is happening. In the great outside world, is a very necessary visitor to our breakfast tables. But there is another world—the world of our own home town—where all the actors on the stage of life are known to us, where the daily each acts his part in the drama of life is a matter of personal interest to all, where sickness and death, losses and accidents arouse something deeper than the passing curious interest with which we read of such happenings to unknown persons in the daily newspapers, and where the outstanding success of the winning of distinction by members of this little world become matters for pride and gratification to the whole community. And the recorder and chronicler of these happenings is the town newspaper. It is a community organization in which everyone should have a personal interest, and in which everyone should co-operate in an effort to have it present each week a correct history of the town and district that week to voice correctly the public opinion of the community and to take the stand on all public questions that arise.

PROVINCIAL LIVESTOCK POOL. Organization of a provincial livestock pool is now under consideration by the various livestock shipping associations in operation.

Letter to the Editor

Dear Sir,

There seems to be another promise land discovered in wonderful Bolivia, but with all its wonders I've failed to go where a paper was needed, but maybe we won't have any use for such, but anyway there seems to be millions of bolivians if one cares to pick them up.

I wonder how many of "distant fields look green, seekers" have gathered all information possible regarding this wonderful climate? I have a little book here that says: "But few horses are in use in Bolivia, as oxen are principally used in road and field work, also cattle exported in 1919 only numbered 2,000, and for these only about thirty dollars per head was realized. There is also an export duty of four dollars per head." This also makes interesting reading: "A light one-handed iron plow is used, and sells for 15 dollars. There are no modern agricultural methods or machinery yet in use."

What then is it going to cost you to ship your horses, cows, and machinery to this wonder spot? Again we read, "everything in the estate line is cheap, with the exception of bread (now listen you wheat growers) due to the fact that bread is not used in sufficient quantities to justify the growing of wheat and the establishing of flour mills."

What about your export trade? You have it to establish. If you look on your map you will find Bolivia, like Switzerland, surrounded by other countries, and entirely depending on the other fellows to let you through to the coast. To see how well these neighbors get along, every boy has to join the army at 15 years of age. Military law is compulsory in Bolivia.

You have besides your homes, roads the railroads to build this to read: "The new settlers should bear in mind that, like the early settlement of the Mississippi Valley, there are in Bolivia the discomforts and hardships to be met with that are common to all new countries. The conditions should be carefully considered, as the experience in the early settlement of states like Illinois, Minnesota, Nebraska, and Kansas, was that many of the new comers in the loss of the associations they were used to at home found the advantages they were getting and returned to what they had left rather sad, where the country was older settled. Automobiles are not in general use, but will be when North Americans get there with Henry".

Thanking you Mr. Editor.
Yours truly,
ROLLING STONE

BIG SHIPMENTS OF GRAIN

The Lethbridge division of the C.P.R. reports total shipments of grain to date of 35,000,000 bushels, of which 32,000,000 bushels were wheat. One point in the division has shipped two million bushels, and five other points have shipped over one million bushels.

Smilin' Charlie Says

Th' wimmin folks sure do look good in their frills of to-day, but how d'ye suppose they're gonna look in th' old family album ten years from now? —

The cost is comparatively small when you consider the excellent results.

STRATHMORE & BOW

VALLEY STANDARD

According to an estimate made by the Dominion Parks Board, tourists traffic to the mountain resorts of Alberta last year had a total value of \$20,000,000 to the province.

A Wonderful Help To My Daughter

So Says Mrs. Lee Alfar Grand New Herbal Remedy Relieves Sufferings Of Her Ailing Daughter.

"For the past four or five months my daughter, Pearl, has suffered greatly from indigestion and stomach trouble," says Mrs. George Lee, 6177, Royal Street, Regina, Sask. "We tried everything in the way of medicines, but nothing seemed to do her any good until Drecto came along. Although she has been scarcely noticeable, her digestion is perfect and she no longer has those terrible headaches."

"Everything she ate would sour on her stomach, causing belching and severe headaches. She had a very poor appetite and was very nervous. Since starting with Drecto, these troubles have been scarcely noticeable. Her digestion is perfect and she no longer has those terrible headaches."

Let Drecto tone and strengthen your whole digestive system and put you in proper shape to really enjoy life. Its wonderful tonic properties are especially valuable at this season of the year, as thousands of reliable people have proved. Drecto is purely herbal and contains no mercury, potash or habit-forming drugs.

Drecto is being specially introduced in Strathmore by the Strathmore Pharmacy, and is sold by a good druggist everywhere.

Is Strongly Favored

DODGE BROTHERS
FOUR-PASSENGER
COUPE MEETING
WITH APPROVAL
New Type Car Incorporates Many
Popular Features

To meet a distinct need for a car of convenient size that would comfortably seat four people Dodge Brothers designed and produced their new four-passenger coupe. Orders taken have already reached the point where they are taking the facilities of the factory. The body of the coupe, which is of composite construction, is one of the finest examples of coach builders' art. The seating arrangement is staggered, with a seat of folding design at the side of the driver. One feature is found in the fact that the driver sits directly behind the steering wheel—not at an angle. Four passengers can be seated with the utmost comfort. Also, the doors are extra wide, allowing ease of movement in getting in and out.

The body, which is painted a deep blue with a yellow trimstrip, is upholstered in genuine mohair velvet. Mohair velvet has long been recognized as a material, which for beauty and durability stands premier. It cleans easily and its richness is at once apparent to all who use it.

Disc wheels are standard equipment on the new coupe, as are window regulators, a dome light and hardware of Dodge Brothers own design.

The four-passenger coupe is as attractive in appearance and conforms in every detail to modern design. Dodge Brothers chassis lends itself admirably to this type of car, which is an attractive addition to the types which the company has been producing for some time.

BIG ADDITION TO FLOUR MILLS

Contract has been awarded for the construction of an addition to the mills of the Lake of the Woods Milling Co. at Medicine Hat, to cost \$100,000.

M. D. Keoma Council Meeting

(Continued from front page)

The Municipal Rate
The following resolution was passed, fixing the municipal rate at 2 1/2 mills. Whereas the total amount of outstanding taxes, as shown by the audit sheet, for municipal purposes, as at December 31, 1923, amounts to \$289,921 and the cash balance as \$122,576, and the estimated expenditure for 1924, as shown by the subsequent list, to be \$423,740.00, therefore be it resolved that the secretary be instructed to levy a three and one-half mill rate for municipal purposes for the year 1924.

Estimated Expenditure, (Sec. 274, M.D. Act)

Administration	
Secretary-Treasurer	\$240.00
Assessor	200.00
M. H. O.	500.00
Wood Inspection	450.00
Council Fees	1300.00
Printing	25.00
Office Supply	500.00
Electric	40.00
Rent	150.00
Public Works	6000.00
General	
Pests	1000.00
Interest	500.00
Debiture	1850.00
Hospital	500.00
Legal	500.00
Refunds	500.00
Pounds	200.00
Total	\$18120.00

Estimated Revenue

Cash Balance	\$ 8226.76
Arrears of 1923	8867.51
Commissions	1000.00
Estimated Levy 3 1/2 mills	11400.00

Total \$29592.27

The estimates for the schools were approved as follows, and respective rates fixed for 1924:

Alkanet	\$ 425.00
Harvey	400.00
Serviceberry	1000.00
Bryn Maur	318.00
Berta Vale	300.00
Nightingale	1000.00
Greenfield	560.00
Valley Garden	2500.00
Layden	1250.00
Paddy Springs	680.00
Level Land	625.00
Hilge	1200.00
Turner	1000.00
Balntree	1245.25
Arvin	1800.00
Brace Lake	1800.00
Landseer	420.00
Cheadle Butte	500.00

Namaka Notes

—o—

A sale took place on the Shouldice ranch last week. There was a fair attendance, but prices realized were very low. Harry, who has resided here during the past twenty-three years, is going to try his luck on a farm belonging to his father in the Calgary district. We wish him success. He will be much missed in this district, being always ready at any time to give a helping hand whenever anyone was in need of help.

—o—

Horse-buyers were in this neighborhood last week and succeeded in purchasing two carloads. One car was shipped to New Brunswick, and one car to Vancouver. Namaka Park

REXALL DRUG STORE

Slats' Diary

Friday—A little family had a visit from my cousin Wm. and his girl and after they had went home I said to my wife, I believe my soul that to yung fools is engaged to each another. And she said him what makes him think so. And he replied and answered saying to her, Well Wm. is busted because he said me for car and said if he did not borrow it he would half to wait a few days, until he heard from home so I made him a loan as he would have my money than us to have him and his girl is a wanting a new ring so I goes they will be a mother married in the family circle really.

Saturday—Well you can get a head of Jake. Today the preacher that he would have him fun at Jake's expense and he went where did he get all the Mr. Brockles he was a wearing, And Jake came back and said, Well I goes they must of came with my face, just like that.

Sunday—Ant Emmy went to church this morning and it girt right fell. The fellow which was doing the upbait at the door told her they was a few seats up in the balcony. But she came on home because she did not see who was to preach, and they was to be faithful to each any I.

Monday—1 of are lending citizens reached the age of sixty 7 today and I was sent down to get a letter out of him for the paper on which he works on. So he sat the old fellow how run he got to be such a old man and he sneered him this away. Well the way I happened to be so old was as simple as falling off a bump on a log. I was born such a long time ago and back in them days all I had to do was to get old.

Tuesday—Well I went up to the line and acted as a Caddy this evening. I think Golf is a wonderful game and when I get a man I want to get a good business of my own. I can suggest it to go and play Golf and eat.

Wednesday—Mrs. Crocker came out to the house this evening and I think she is a lovely woman. I guess she is not very popular because she says you never hear any gossiping about her.

Thursday—Well I got my test paper back for history today. Teacher said I only had 1 answer right but I don't know it was. She said to me I don't see how you can be a sick dumb. I told her it was not so very hard for me easy ways.

NEXT WEEK WITH THE CHOUROHES

STRATHMORE UNION CHURCH

Sunday, April 13th, 1924

"How Shall We Think of the Kingdom of God?" The two great tendencies of thought with their weaknesses. "Is Christianity too primitive, too personal, too lacking in thought to satisfy a modern mind?"

A message on the next Sunday. Nankana—Combined service opening at 11 o'clock.

Chesham—at 2:30 o'clock. Strathmore—Bible School at 11 a.m. Public Worship at 7:30 p.m. Pull chair and anthem.

During Holy Week services on Friday at 8 p.m., except Thursday services at usual hours, and Friday (Good Friday) three hour service commencing at 12 noon.

ROMAN CATHOLIC CHURCH

1st Sunday of month, Mass at 8:00 a.m. Strathmore 11 a.m. 2nd Sunday of month, Mass at 8:00 a.m. Strathmore at 11 a.m.

Rev. J. E. DUGGAN, Pastor

NEW SETTLERS

Sixty-two families of Hebrideans will arrive in Alberta within the next two weeks to take up farm homes in central Alberta, selected from them by the settlement board of the federal government. Twenty-eight more young Dutch farm laborers arrived during the past week in Lethbridge to take up work on the farms of the Lethbridge Northern Irrigation Trust.

Entries for 50 homesteads by new settlers were made at the Dominion Land Office at Edmonton during the month of March, indicating the commencement of the movement of new settlers to the province.
